I. Purpose
   The purpose of this section is to provide the gift fee policy, specify broad responsibilities for implementation and ongoing management, and provide links to procedures.

II. Definitions
   See Section 260-15 for definitions of terms used in this policy.

III. Policy
   A. The campus will assess a 6 percent gift fee on all gifts pledged to UC Davis (both Regents and Foundation) after September 30, 2004. The gift fee will be assessed and collected at the time the gift or pledge payment is received in cash or converted to cash, and will be the gift fee in effect at the time the cash payment is received.
   B. Cash payments on pledges made before September 30, 2004 are not subject to a gift fee.
   C. Solicitation and pledge materials must include notification to donors that a gift fee will be assessed.
   D. Two-thirds of the gift fee revenue on each gift will be distributed directly to the dean, vice provost or vice chancellor who receives the gift. One-third of the gift fee revenue on each gift will be distributed to a central campus pool for strategic allocation to deans, vice provosts and vice chancellors and Development and Alumni Relations.
   E. The gift fee revenue is to be expended only to help support the costs of fundraising and related advancement activities.
   F. Deans, vice provosts and vice chancellors may not assess a unit-specific gift fee on gifts pledged after September 30, 2004.
   G. Unless otherwise stated in this policy, gifts for any and all purposes and gifts from any and all sources are subject to the gift fee (see IV.D, E, below).

IV. Payment, Deferral, and Exemptions
   A. For each gift, the dean, vice provost or vice chancellor who receives the gift, based on consultation with donors as appropriate, will designate one of the following gift fee payment options:
      1. Deduct the fee from the gift principal.
      2. Deduct the fee from funds provided by the donor specifically for purposes of paying the fee.
      3. Deduct the fee from the Kuali account designated for this purpose by the dean, vice provost or vice chancellor who receives the gift. Each dean, vice provost or vice chancellor has notified the UC Davis accounting office of the account to be used for this purpose.
      4. Deposit and hold the complete gift in an interest earning account until sufficient earnings have accrued to pay the fee. This option is available only for gifts of $100,000 or more and...
requires that the dean, vice provost or vice chancellor who receives the gift submit a written request to the Vice Chancellor--Development and Alumni Relations explaining special circumstances that warrant holding the gift.

B. The gift fee will be assessed on a gift-in-kind only if the gift is converted to cash. The fee will be assessed when the cash is received and will be assessed on the cash at conversion, not the value assigned when the gift-in-kind was received.

C. The gift fee will be assessed on a planned giving (deferred) gift when the gift matures and is received as cash. The fee will be assessed on the cash received, not on the value assigned when pledged.

D. Development and Alumni Relations may grant a gift fee exemption for a gift from a corporation or foundation if provided verification that gift fee payments are prohibited by donor restrictions set by foundation or corporation statute, published guideline or policy.

E. The Chancellor in consultation with Development and Alumni Relations may on rare occasions grant a partial or full gift fee exemption based on written justification provided by the dean, vice provost, or vice chancellor who receives the gift.
