      b. Notification of disapproved requests shall include the basis for the disapproval.
   3. Internal Control initiates a Direct Charge (DC) document for approved change funds, citing the appropriate cashiering change fund account and project number, and issues a check in the name of the custodian.
B. Returning a change fund
   1. The custodian notifies Internal Control of the need to return the change fund.
   2. The custodian prepares the Cash Receipt (CR) document and deposits the fund at the Cashier's Office.

   4. If the custodian leaves University employment and neglects to return or transfer the change fund, the department head must notify Internal Control.

C. Transferring a change fund to a new custodian
   1. The current custodian completes the information in the first box of the Change Fund Change of Custody Form.
   2. The new custodian verifies the amount of money in the change fund and completes the information in the second box of the Change Fund Change of Custody Form.
   3. The supervisor and department head sign the form to verify the accuracy of the cash count and approve the change in custodian.
   4. The department submits the completed form to Internal Control.

D. Loss to a change fund
   1. The custodian immediately documents and notifies Internal Control.
